Your Tour Hosts

Hello to all our very loyal passenger's and to the many new ones as well. How often have you said "One day I'll do this or do that" Don't procrastinate , just do it. Life passes by very quickly. Never has there been a better time to see Australia. So far this year we've had so many adventures within our own state starting with Port Lincoln in February which included Coffin Bay and the coastline of Whalers Way. Kangaroo Island was next in March, visiting the must see places such as Flinders Chase and Seal Bay along with many other sights and then our first ever Easter tour in April to Mount Gambier, seeing the Blue Lake, the beautiful gardens in the Umpherston Sinkhole and Port McDonnell. We then followed up with a tour through the picturesque Coonawarra

region, home of so many wineries and the World Heritage Naracoorte Caves. Three days in April/May were spent exploring the mid north and Peterborough, taking in the amazing Sound and Light show at Steamtown at night. Another highlight was our Coober Pedy tour, with it's unique landscape and a visit to Lake Eyre as well. As I write we are preparing to spend 3 days in the north of our state including a ride on the iconic Afghan Express Steam Train on the Pichi Richi Railway. Check out our remaining six extended tours for 2021. This brochure includes some new day tours such as Explore the Yorke, Follow the River, Meet the Farmer and Camelot Gardens plus our ever popular Xmas in July, Melbourne Cup and Cherry Trails.

By now a lot of you will have met or spoken to Peta and Jovana, our wonderful support team in the office. They join your tour hosts and admin people Ronda & Valerie. We would love you all to **"come and have fun with us"** on either our day or extended tours.

Valerie, Rex, Ronda, Peta & Jovana
