As the year draws to a close I'm sure we all look forward to 2022 with much optimism. If nothing else, travel restrictions have made us visit more of our own lovely state. It's always so rewarding having passengers say that they "didn't know this place was here" when we take them to one of SA's hidden gems.

A big thank you to all our customers who have worked with us and understood when we had to change/cancel/postpone a couple of our tours for obvious reasons. Luckily it wasn't very often and we hope 2022 is "smooth sailing". We have a full programme planned with some of our ever popular favourites such as the Cherry Trail, Melbourne Cup, Christmas in July and Valentines Day, plus some we haven't visited for some time and a few new ones as well. We always say that we don't like to hear people say "I've been there before", because we as tour guides go to the same places numerous times and still see and hear something new each time. When it comes to extended tours we had such a great time this year we are going to continue mainly travelling in our state adding Broken Hill, the Silo Art Trail in Victoria and the Great Ocean Road/Werribee Zoo/Sovereign Hill to our list. Always remember our COVID policy is that we will fully refund any monies paid if we have to cancel a tour due to restrictions or shut down. In the event of being part way through a tour and we have to come home then the unused portion of the tour will be refunded. Please note that some of our venues have just started to require either double vaccinated proof or a doctor's exemption certificate to be able to enter. This may become more common as time goes on.

Our team now consists of Peta & Jovana in Admin plus your hosts and planners Valerie & Ronda. Once again the Kanga team have supported us well with their immaculate buses and experienced drivers. We now have two smaller buses of our own which compliment our smaller group tours. Remember to wear out, not rust out so **"come and have fun with us"** on either our day or extended tours. As always stay safe and well.
