# Welcome

**W**elcome to our first brochure for 2026. We had a great start to the year with a lovely tour to Warrnambool in February. The scenery in that part of the country is beautiful and we ventured inland to Hamilton to hear about the birth of Ansett Airlines.

As always our Melbourne Flower show is just not about flowers, it includes the stunning Mornington Peninsula, Phillip Island and the Dandenongs, all of which never disappoint.

We have just returned from our first Lakes Entrance Tour in many, many years and the weather gods turned on the very best they could find. Cruising the Lakes and stopping for lunch at Metung was a highlight of this tour, as was the trip on the Great Alpine Way, passing through Mt Hotham as we wound our way up the mountain and down the other side. At one stage we were nearly 3000m above sea level, a scenery overload.

We have been madly working on next year's tours and booking accommodation as Australian tourism is still booming, so places get booked out very quickly. Jovana and Abby are keeping the office running smoothly, their behind the scenes work is invaluable and I couldn't do my job without them. Lynette has just embarked on her first "longer" tour and judging by comments from previous shorter tours she is going to be a wonderful fit within Eureka Tours. Paul has become our regular driver on all our extended tours and his driving skills, road knowledge and the effort he puts into researching each day's itinerary makes my job so much easier. Ian continues to look after our monthly tours with our lovely Cambodian people and I'm sure they enjoy his company as does he enjoy taking them out for the day.

I am looking forward to going back to Longreach and Tasmania this year, two of my personal favorites, can you imagine how beautiful the country will look in outback Queensland after all the floods a few months ago. (Mind you I think all the tours are my favorites in varying degrees)

On a personal level we took the whole family to Kangaroo Island for our annual family holiday in April and enjoyed five days at this fantastic tourist destination. We visited KI Wool for the first time and enjoyed it so much that I have included it in our itinerary for our Eureka tour there in March next year. Rex and I managed to fit in a couple of shows at the Fringe, a quick flight to Brisbane to see the Edinburgh Tattoo and a road trip to Melbourne to see MJ The Musical and check out a few places along the way as well.

In closing, we thank you all for your ongoing loyalty and support, without you there is no Eureka Tours, and that fact we never take for granted. Stay well, stay travelling this wonderful country of ours.

Kind regards,

Valerie, Rex, Jovana, Abby, Lynette, Ian & Pam
