Welcome

Hello and welcome to our second brochure for 2026. It's hard to believe how much has happened in the last few months. Australian travel is still booming, and why not? We have it all here in our own country. This brochure is a little earlier than usual, but all our extended tours are fully booked until the end of the year, so we decided to let you know about next year's plans a bit sooner.

Our tour to Longreach and Outback Queensland was just amazing. After all the rain in the last few months I've never seen it so green in the outback. The weather was very kind to us, and we had a great group of people who got on really well together. The whales arrived just a couple of days before our tour this year, which was quite a relief. Unfortunately, for reason's unknown (possibly Algal Bloom) the Cuttlefish didn't turn up, Cutty's Boat Tours subsequently cancelled all their tours and this left us with no option but to cancel our tour. Such a shame, but it was the right thing to do... not much fun doing a Cuttlefish tour minus the Cuttlefish.

One of the big changes is that we have purchased our own coach, and it now has Eureka Tours branding on it. Apart from the signage you won't notice any difference as it is the very same coach you have been travelling in for years, it's just that Kanga Coachlines were selling off our favorite touring coaches, so we made the somewhat difficult decision to purchase one of them. You will be pleased to note that our regular driver Paul applied to be our full-time driver and naturally we are delighted to have him as part of the team. Lynette now has a few more tours "under her belt" and is popular with our passengers, so thank you to the many of you for your wonderful feedback. Abby & Jovana are my "girl Fridays" and the voices on the phone when you call and I would be lost without them. The last addition to the team is my husband Rex, he gets the IT questions and repairs from us in the office and a lot of behind the scenes work. You may hear his voice on the phone occasionally, but he's more likely to be working on the next brochure or picking you up ready for your extended tours. We have now built what I think is a great team. (Ian still looks after our beautiful Cambodian people each month.)

On a different note, from the 1st of July 2027, deposits on extended tours will increase. This will be our first increase in over 15 years. Unfortunately, prices have risen dramatically over that time and is therefore responsible for the change. Also final payment for extended tours will be due 60 days before travel date, again this has been made necessary by the industry, as quite a few motels/ hotels now want final rooming list numbers 60 days out, quite often with a penalty if amendments are made after this date.

We have three new tours next year, one to Tamworth & Country NSW, one to Melbourne Sights & Shops and the other The Nullarbor & Southern WA. The planning took a lot of "late nights and Panadol" in the process, but I think all will be amazing tours.

I know it's hard to believe, but the year is flying by and as this will be our last brochure before Christmas, our team wish you all a safe and wonderful festive season. As always thank you for your support in 2026, without you there is no "Eureka Tours" and it's something we value dearly.

Kind regards,

Valerie, Rex, Jovana, Abby, Lynette, Paul & Ian
